

# Your child makes an impression at

Roswell Presbyterian Preschool (RPP) is a Christian based program where your child is treated and respected as an individual. Each child is encouraged to develop as a whole person: spiritually, emotionally, socially, cognitively, physically, and creatively. Self-esteem and self-confidence thrive in our developmentally appropriate program

## Preschool

Our Preschool program is available for 18 months through four years old (by September 1). Each class is designed to meet the developmental needs of your child. "Learning through play" is our way! Many steps are taken to ensure the highest quality early childhood program for your child. The process over product is what we encourage.

## PreK+

This class is designed for four year old students ready for an advanced and unique curriculum where all reading, writing, and math skills are taught in a motivating way.

## Peanut Butter Bunch (PBB)

An optional lunch program is offered for our 18 month and two year olds one day a week. The two year olds will start in October and the 18 month olds have the option to start beginning in January. The children enjoy bringing their own lunch, eating, and socializing with their friends.

*Wednesday and Thursday  
12:15-1:15 p.m.*

## Music Program

A trained and educated music teacher provides a music program designed specifically for each age group. The children engage in music through vocals, instrumentals, rhythms, and movements. Every child has music class once a week.

## Art

Children love art! All ages attend art class once a week. They will experience different forms of art - from learning about and painting like Vincent Van Gogh to making their own paper. You will be amazed at the artist your child becomes.

## Christian Atmosphere

Our program is a ministry of Roswell Presbyterian Church. Children in our program flourish in a loving, nurturing Christian environment. An age-appropriate chapel time is offered each month to our three, four, and five year olds. The daily classroom curriculum is Christian-based and teaches each child to know that God loves them.

## Family Oriented

There are many opportunities for parents to be involved in our program. The Parent Auxiliary is an active organization that supports our program and unites families in our school. We encourage parental involvement in all areas!

### Highly Qualified Staff

The staff of Roswell Presbyterian Preschool is made up of Christian teachers trained in early childhood education and diversified in age, experience, and interests, who provide a rich collection of talent, care, and expertise. Our teachers love what they do!

### Security

Safety is a priority at Roswell Presbyterian Preschool. Both interior entrance doors to the Preschool hall are locked immediately following morning carpool. Each family is given the keypad code to use when entering during Preschool hours. Signing in and out of the office is also required.

### Carpool

Morning and afternoon carpool (drop-off and pick-up) are part of our program.

Teachers are present to assist the children in and out of the cars and to and from their classrooms. Each family will receive a carpool number for pick-up. Everyone is strongly encouraged to use this service.
